As per my knowledge GST on gold jewellery at present is 3% of the gold value and making charge. I have come to know that in the latest meeting of the GST Council GST on Gold and Diamond jewellery has been reduced. But it was not written clearly in any of the renowned newspapers. Also, the Jewellery shopowners are not sure about this. I want to clear this doubt. So please inform me 3 things

1. Is there some change in the GST percentage on Gold jewellery.
2. If there is a change, what is the new GST percentage
3. And when date will it be effective from
