I want to know regarding cgst, penalty and tax imposing procedure by excise department and how much amount of tax can be imposed on vehicle going from Uttar Pradesh to North East and machine i.e (excavator 200 of 2015 model) seized in west bengal Because of not having original delivery challan?(every other documents with copy of delivery challan was present in that condition).

-What documents are required during transportation of machine in interstate delivery?

-Is print of delivery challan is enough or original delivery challan is mandatory?

-If original delivery challan is not available and all other documents are available then how much tax is imposed and on what basis it is imposed on machine?

(Every question asked above is regarding north Bengal)
